

Accreditation

The Deutsche Akkreditierungsstelle
testing laboratory;

Element Materials Technology Straubing GmbH
Gustav-Hertz-Straße 35, 94515 Straubing

meets the requirements according to DIN EN ISO/IEC 17025:2018
assessment activities listed in the annex to
and normative requirements for the testing
schemes, provided they are explicitly confirmed in the context of this certificate.

The management system requirements of DIN EN ISO/IEC 17025 are written in the language
relevant to the operations of testing laboratories and in accordance with the principles of
DIN EN ISO 9001.

This accreditation was issued in accordance with Art. 5 Para. 2 sentence 2 of Regulation
(EC) 765/2008, after an accreditation procedure was carried out in compliance with the
minimum requirements of DIN EN ISO/IEC 17011 and the decision of the Commission of
the European Communities.

This partial accreditation certificate only applies in connection with the location of 14.01.2024
with accreditation number D-D-PL-12155-01.

It consists of this as well as the reverse side of the certificate, which contains a total of 02
pages.

Registration number of the partial accreditation
It is a part of the accreditation

Berlin, 19.01.2024
Ronan Burkart
Head of Technical Accreditation

The certificate together with the accreditation certificate is valid as marked by the date of issue of the accreditation certificate. The certificate is valid for the period of validity of the accreditation certificate. (www.dakks.de)

Office Bonn
Spitzenstraße 10
10117 Berlin

Office Frankfurt am Main
Europa-Allee 12
60327 Frankfurt am Main

The Deutsche Akkreditierungsstelle (DAkkAS) is the entrusted national accreditation body of the Federal Republic of Germany according to § 9 section 1 Accreditation Act (DAkkAS-Gesetz) of 2005. DAkkAS is an international accreditation authority by German accreditation law (Art. 4 Para. 4 of Regulation (EC) 765/2008).

Pursuant to Art. 11 section 2 of Regulation (EC) 765/2008, the DAkkAS is recognised as equivalent by the national authorities within the scope of this Regulation for WTO member states that have committed themselves in bilateral or multilateral mutual agreements to recognise the DAkkAS.

DAkkAS is a signatory to the Memorandum of Understanding for mutual recognition of the European Conformity Assessment (EUCA) International Accreditation Cooperation (IAAC), International Accreditation Cooperation (IAAC) and International Accreditation Cooperation (IAAC) and International Accreditation Cooperation (IAAC).

The up-to-date state of DAkkAS is available at www.dakkas.de.
