

Test:

Test Spec

Methods

¹ When the date, edition, version, etc. is not identified in the scope of accreditation, laboratories may use the version that immediately precedes the current version for a period of one year from the date of publication of the standard measurement method, per part C., Section 1 of A2LA R101 - General Requirements- Accreditation of ISO-IEC 17025 Laboratories.

² Also using customer specific test methods utilizing any combination of test equipment parameters listed above.

A2LA has accredited

NTS LABS, LLC TEMPE

Tempe, AZ

for technical competence in the field of

Mechanical Testing

A handwritten signature in blue ink, appearing to be "A. N. T. S. L. A. B. S.", positioned to the right of the seal.

For the types of tests to which this accreditation applies, please refer to the laboratory's Mechanical Scope of Accreditation.
